## And so it goes (Billy Joel)

In ev'ry heart there is a room:  
a sanctuary safe and strong.  
To heal the wounds from lovers past  
until a new one comes along.

I spoke to you in cautious tones:  
You answered me with no pretense.  
And still I feel I said too much  
my silence is my self defense.

**And ev'ry time I've held a rose  
it seems I only felt the thorns.  
And so it goes, and so it goes,  
and so will you, soon, I suppose.**

But if my silence made you leave  
then that would be my worst mistake.  
So I will share this room with you  
and you can have this heart to break.

**And this is why my eyes are closed:  
It's just as well for all I've seen.  
And so it goes, and so it goes,  
and you're the only one who knows.**

So I would choose to be with you:  
that's if the choice were mine to make.  
But you can make decisions too  
and you can have this heart to break.

**And so it goes, and so it goes.  
and you're the only one who knows.....**
