

Only You

Yazoo

SA Looking from a window above, it's like a story of love

Alle Can you hear me

TB Came back only yesterday , moving farther away

Alle Want you near me

SA All I needed was the love you gave **TB** Al I need is you, is you
All I needed for another day

Alle And all I ever knew
Only you

SA Sometimes when I think of her name
When it's only a game

Alle And I need you

TB Listen to the words that you say
It's getting harder to stay

Alle When I see you

SA All I needed was the love you gave **TB** Al I need is you, is you
All I needed for another day

Alle And all I ever knew
Only you

Alle Ba ba, ba ba ...

SA All I needed was the love you gave **TB** Al I need is you, is you
All I needed for another day

Alle And all I ever knew
Only you

SA This is going to take a long **TB** Ah ah
And I wonder what's mine ah
Can't take no more ba da da da (2x)

Wonder if you'll understand
It's just the touch of your hand
Behind a closed door

Ah ah
ah
ba da da da (2x)

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you, only you

TB All I need is you, is you

Alle

SA

Ba da da da ...

Alle

Ba da da da.....
