

You took the words right out of my mouth TEXT

- A SA** It was a hot summer night
and the beach was burning,
there was fog crawling over the sand.
Alle When I listened to your heart
I hear the whole world turning,
I see the shooting stars falling
through your trembling hands.
- B TB** While you were licking your lips
and your lipstick's shining
I was dying just to ask for a taste.
Alle Ah, we were lying together in a silver lining
by the light of the moon you know there's
not another moment, not another moment,
not another moment to waste.
- C SA** Oh well, you hold me so close **TB** Ooh__
that my knees grow weak
alle but my soul is flying right above the ground.
SA I'm trying to speak **TB** Ooh__
but no matter what I do,
alle I just don't seem to make any sound.
- D** And then you took the words right out of my mouth
oh, it must have been while you were kissing me.
You took the words right out of my mouth,
oh, and I swear it's true:
I was just about to say „I love you!“ __love you

like a wave on the water
